Subject: COMMUNITY GOVERNANCE REVIEW - INCE & LITTLE STANNEY PARISHES

Hi Pauline

Can I alert you to the launch of the second round of public consultation in respect of the Community Governance Reviews of Ince parish and Little Stanney parish? All the information about the reviews has just gone live on the Council's website at: www.cheshirewestandchester.gov.uk/communitygovernance

At its meeting on 5 July, the Community Governance Review Committee agreed final draft recommendations for the review of Ince parish and Little Stanney parish and this is what we are now consulting on.

Those relevant residents and stakeholders will receive a letter in the next day or two asking them to respond to the consultation by completing an on-line questionnaire. The closing date for responding to this consultation is **12 September**.

However, there may be some residents who would prefer a paper copy of the questionnaire and maps and we've asked them to contact us in the letter if this is the case.

We would be grateful if you could promote the consultation wherever you can and encourage local residents to respond. You can respond as an individual and also as a group (e.g. the parish council) or an organisation/stakeholder with an interest.

We will also be doing a press release, which we hope the local press will pick up over the next week or so.

Just to alert you to the fact that there was a slight error in the Little Stanney letter with some of the addresses listed in recommendation 8 re. Area C. I've attached the correct version for you which is also on the website and we have written to those properties where we listed the wrong addresses. Instead of listing 1 – 23 Wood Farm Close (odd numbers) it said in the recommendation 1 – 23 Stanney Lane.

Any queries, or if you want a small number of paper copies of the questionnaires/maps etc. to distribute, do come back to me.

Many thanks and best wishes,

Lyn
