

## **Clinicians considering a return to the NHS**

Interested in joining the NHS COVID-19 vaccination team?

<https://www.england.nhs.uk/coronavirus/returning-clinicians/>

There are different routes to joining the team:

If you:

- are a retired clinician interested in returning to the NHS for the first time; or
- returned to support the NHS by any another route other than the NHS England and NHS Improvement's Bringing Back Staff programme (see below); or
- originally returned to support the NHS via the Bringing Back Staff programme but then withdrew and asked not to be kept informed

Please visit the NHS Professionals website where you can make your application and undergo the necessary pre-employment checks:
